

Don't Just Rise — Shape the Space You Rise Into

Leading Edge:

South Africa's Women in Leadership Accelerator
Cape Town | Mon.1st – Fri.5th September 2025

A Premier **12-Week** Hybrid Programme for Senior Women Leaders Driving Change Across Africa and Beyond

What Sets This Apart:

- **Expertly Led**
Featuring Joy Maitland MBE and Atiya Sheikh, internationally respected business psychologist.
- **Tailored for Senior Leaders**
Built for women who are already making moves — and want to go further with focus, intention, and support.
- **Hybrid Learning Format**
Online modules + a powerful 5-day in-person Cape Town immersion. Includes CEO fireside chats, live strategy labs, peer forums & more.
- **Personalised Development**
Executive coaching, Lumina Spark psychometric profiling, and leadership projects for tangible, real-world results.

Is This You?:

For ambitious, purpose-driven women who are:

- Senior executives, founders, or C-suite leaders in African enterprises (R30M+ turnover)
- Aspiring leaders preparing for board-level roles or broader systemic influence

What You'll Gain:

- Sharpened executive presence and strategic clarity
- Enhanced influence and ethical power
- Board-level readiness
- Resilience and confidence under pressure
- Professional recognition from the **Institute of Leadership**

With Joy Maitland MBE

Honoured by King Charles III for her Outstanding Leadership Impact

Join this transformative leadership experience, co-led by internationally recognised leadership strategist and business psychologist Joy Maitland MBE, known for her exceptional contribution to leadership development globally.

Lead with Authority. Influence with Impact

Designed for senior women leaders, this programme sharpens the clarity, confidence, and strategic capability to lead transformational change in high-stakes environments. Break through the barriers of visibility, complexity, and resilience—while building the networks that elevate your influence and impact across sectors.

Limited Places Available

This is a curated, high-impact programme with limited seats to ensure personalised transformation.
